PESTICIDE DISPOSAL

Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL

Do not reuse container.

Bird-Off Gel

Polybutene-Free Bird Repellent Gel

Bird Barrier gel repels most bird species from homes, apartments, schools, offices and other buildings.

The product may be applied to girder edges, beams, railings, ledges, gutters, window sills, signs, cornices, and other places where nuisance birds may nest or congregate.

Building surfaces to be treated should be dry and cleaned; remove droppings, dust, etc.

APPLICATION INSTRUCTIONS

Apply in strips in a wave-like fashion in a 1/4-inch bead for small birds, 3/8-inch for medium and 1/2-inch for larger birds. For wider areas, more than one bead may be necessary. To remove, use scraper and then wipe the area with soap, water and a rag.
